Material on Pauline Hanson’s controversial views, and the debate surrounding them, can be found in different areas of this website, for instance:

- Read an excerpt from her maiden speech to Federal Parliament on 10 September 1996

- Read a response to her speech by historian Peter Cochrane, published on 10 October 1996

- Watch a compilation of video clips from television coverage of protests against her views in November and December 1996.

Other items can be found by entering the word “Hanson” in the search box in the Library.
