# Trailblazers: Migrant women activists

**Past Event: 8 March 2008 to 27 July 2008**

Trailblazers factory meeting

Source: Multicultural Centre for Women's Health

The untold story of migrant women who fought for special services.

"To be poor, migrant and a woman is to achieve optimum disadvantage" (anon.) – and a new exhibition recognises the efforts of migrant women who aimed to diminish that disadvantage.

Celebrating the "mothers" of multiculturalism, *Trailblazers* records the untold story of the gutsy and spirited migrant women who fought for specialist medical, social, workplace and educational services for women of migrant backgrounds.
